Go Steal the Show

Supplies

A representation of Eros

A red candle

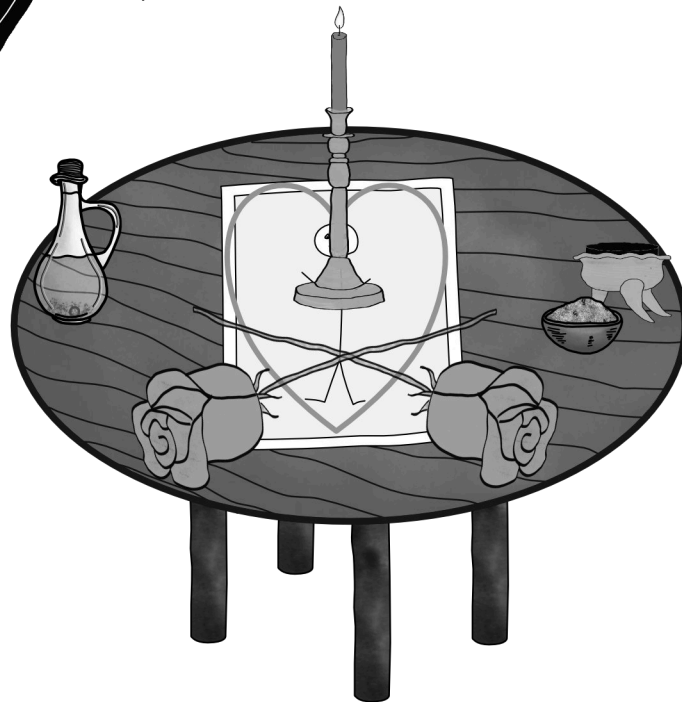

Attraction or Magnet Oil

Attraction Incense

A picture of yourself

A candle holder that feels special/ornate to you

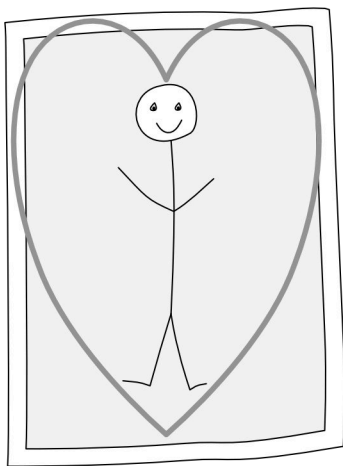

Other items that help you "do up" the altar

Operation

On a night of Mars as the Moon Waxes in Leo, make a temporary altar to yourself.

The first item placed on the altar should be a representation of Eros. This can be a picture, a statue, a painting, whatever calls to you. Ask for his guidance and assistance in tapping into and embracing your own innate erotic qualities.

Then take a picture of yourself where you look your best in your "not so humble opinion." You want to make sure that the picture includes your face and at the very least your torso down to your waist.

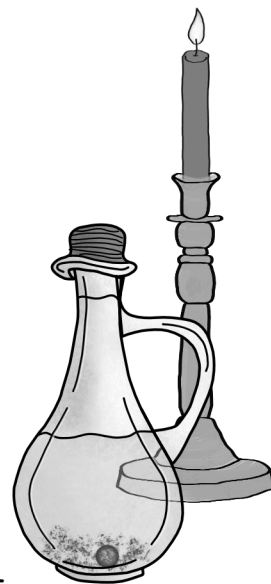

Draw a heart in red around yourself like an aura. Lay it flat in the centre of the altar.

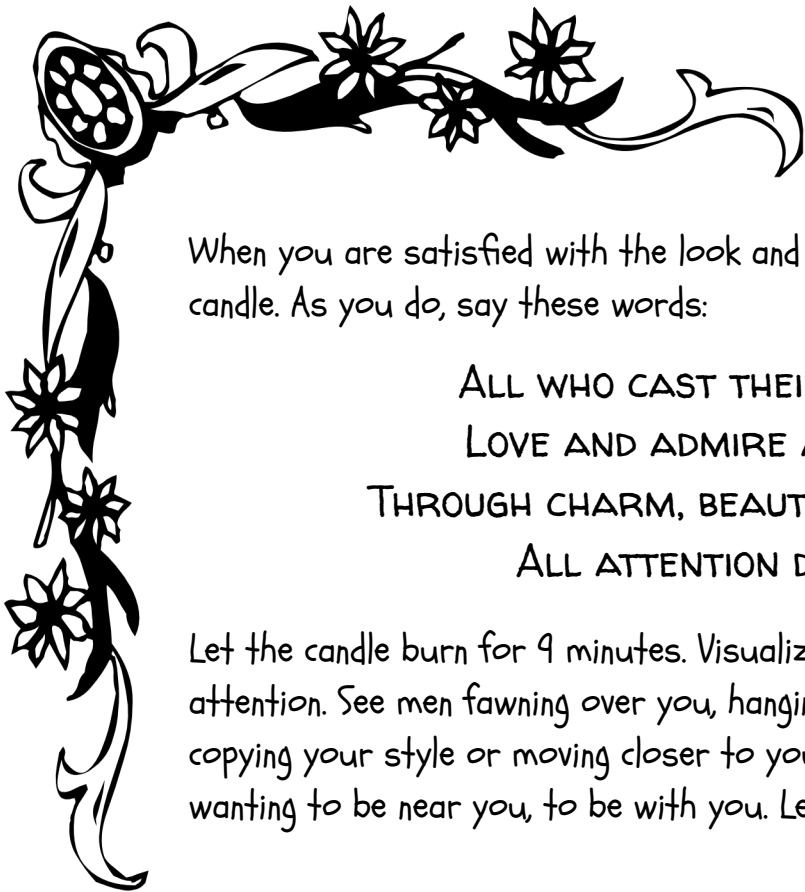

Anoint a red candle with Attraction or Magnet Oil.

Place the candle in an appropriately ornate holder and situate it over the region of your solar plexus in the picture so that you can still see your face.

Burn an Attraction incense.

Add any other embellishments that help you see yourself as hot, beautiful, stunning, irresistible, "divine" even. Follow your intuition and taste here, but "do it up." Flowers, music, a handheld mirror, an altar cloth in a pleasing color and pattern - go as extravagant as time and money will allow when preparing this space for yourself.

When you are satisfied with the look and feel of your altar, light the red candle. As you do, say these words:

ALL WHO CAST THEIR EYES ON ME
LOVE AND ADMIRE ALL THEY SEE.
THROUGH CHARM, BEAUTY, AND SEX APPEAL
ALL ATTENTION DO I STEAL.

Let the candle burn for 9 minutes. Visualize yourself as the center of attention. See men fawning over you, hanging on your every word. See them copying your style or moving closer to you at the gym. Visualize them wanting to be near you, to be with you. Let your daydream run wild here.

When the 9 minutes is up, extinguish the flame. Do not blow it out. Repeat the actions of the spell in front of the altar for as many nights as necessary until the candle goes out on its own on the final night. Then dismantle the altar.
